2021

Issue #08

This year has been a tough year for the Hog Chapter.
We lost 2 members who were near and dear to all of us.

Let's use this time to reflect on how much Gary and AJ meant to everyone.

AJ Fox, Jr. was only 53 when he passed away on August 11, 2021 following a short battle with cancer. AJ was in the United States Marine Corps. He was a Desert Storm veteran. AJ met his wife, Mikki while they were both in the Marines. Together they raised two beautiful daughters, Alissa and Alaina, who meant the world to him. AJ loved to ride his Harley with his family and friends. He bought his first Street Glide in 2007, joined the chapter in 2008 and at the time of his death was the Head Road Captain of the chapter. AJ and Mikki often won best costume at our HOG-o-ween parties. AJ loved his family. They meant everything to him. He loved going on yearly fishing trips, hunting with family at “deer camp” and had a blast camping up north at FoxCamp. AJ was the type of man his entire family and friends could count on and will be deeply missed.

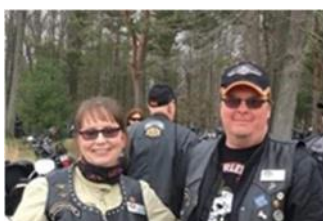

We all have many great memories of AJ.

Message from the Fox family

The Fox family is so blessed to have our HOG family in our lives. The love and support we felt during this time are beyond words. We are so grateful and thankful for you all.

Gary Lee Weller passed away May 9, 2021. Gary was a veteran of the U.S. Army and served during the Vietnam War. Gary married Sheryle Rae Bourdo on November 6, 1970. Gary was a member of the Fruitport Eagles and the Ravenna Conservation Club. Gary joined the Hog Chapter in 2006. Gary really enjoyed his HOG family and all the events like the Hog rallies and camping with his fellow members. He won the Bucket of Cheer at the holiday party a few times. He attended the monthly meetings unless the fish were biting. Right from the beginning Gary connected with many and friendships continued outside the chapter. He was an avid outdoorsman and especially loved fishing. Gary was a great person and will be greatly missed.

Don't forget we need your ride 365 information. I am going to keep bringing that up at every meeting. Eventually you will be woken up at night thinking about how you need to send me your milage.

Contacted Catholic Central regarding the number of graduates and we will need approximately 32 bikes with helmets. I will have a signup sheet in the back at the next meeting.

LOH: Deb Homoly –

- Deb talked about how to raise money for the 2 charities that we are working with. (1) WINC is a women's veterans' organization that assists women veterans with physical and mental trauma/health. It also assists with getting these women access to needed resource like the VA facility, etc. (2) Every Women's Place/families, which LOH has supported for last 2 years. We have raised \$345.50 so far. Thank you to everyone who has donated so far.
- The director and assistant director decided that the ride to Fennville will be a donation ride of \$5.00/ \$10.00 to help with the charities.
- It was also suggested that once we go back to the Sunday meetings, to start doing the bake sales and possibly do a Bucket of Happiness to raffle off to help with the charities. Possibly do a Halloween basket to raffle off at the Halloween party.
- Greg will ask about the possibility of putting a change jar upstairs to help raise money for the charities.
- LOH is working a "Progressive Ride"
 - We will start at Tim and Pam Flint's house for brunch, meeting there at 10:30 and leaving there at 11:30 then a nice ride led by Tim to Greg and Melinda Nowak's house for a mid-afternoon snack and another nice ride led by Greg to then finish up at Al & Carolyn's house for bonfire. If you plan to join us, please contact Deb Homoly or Jamie Herbert so we know how much food to prepare.
 - Last stop will have brat/dogs, bonfire and more socializing. BYOB Some members trade out their bike for a car before this stop. Lot of fun with our Chapter Family. Date is Saturday August 28th.
